[We Have A Great High Priest](#) | James M. Ates | 19356

"Here is a truly enlightening presentation of biblical truth that is often missed by casual readers of the Scriptures. James Ates has combined his keen insights with solid research to provide us with a fresh look at the Old Testament patterns of New Testament revelations. The reader will find needed help in forming a better understanding of the purpose and operation of the Hebrew priesthood, and, more importantly, how it relates to us how live under the new covenant."
