### **Diamonds for Dusty Roads**

365 Daily Inspirations

by Joy Haney

Celebrating twenty-five years as an author, this beautiful hardcover compiles Sis. Haney's many scriptural inspirations that she now shares with us. Many, but not all, of these inspirations began with her weekday radio show, Diamonds for Dusty Roads on KYCC in California. When the program's title came to her in a dream, she was instructed to include the three W's in her format: wit, wisdom, and the Word. Now, with over four hundred pages of great thoughts, you can enjoy the diamonds every day for an entire year.

### **Gold Tried in the Fire**

by Joy Haney

In medieval times, a goldsmith had a unique way of getting rid of the impurities from the precious metal. He would stand patiently and peer intently into the seething, molten mass, meantime making the fire hotter and hotter. When at last he saw his reflection in the molten mass of gold, he knew that the refining fire had wrought its purifying purpose. This is what the Master does in our lives: He wants to see Himself in us. He puts us into the fire to accomplish a greater work in our lives. The fire will come to all, and when it does, one must walk through the fire properly in order to become what the Master Goldsmith is trying to achieve. May God use this book to be a tremendous help to you during your times of being tried, as Joy Haney walks us through the trying times of those who were tried and came forth as gold.
